LIFE GROUPS APPEAL

A needy child
cannot ask
for your help,
but
we can?

Registered UK Charity No. 1176398

LIFE GROUPS APPEAL

Children and young people who come to faith face many challenges when living in a Muslim majority nation.

Life 4 Bangladesh are providing cross-denominational Life Groups where young people can learn about their faith, share experiences and encourage one another.

Your donations can help to provide books and worksheets for the Life Groups and contribute towards the costs of the Leaders who are establishing new groups in regions where local churches are unable to provide them.

With your help we can teach God's love, one group at a time...

WHY GIVE?

The next generation of Christians in Bangladesh need your help. Many of the churches do not have the money, resources, people or skills, to provide Life Groups for young people. Life 4 Bangladesh are establishing Life Groups, providing training for leaders and material for the young people to use in their meetings.

In rural areas, we are helping some of the poorest people in Bangladesh on their walk of faith. We are limited in how many Groups we can support by the cost of travel and cost of sponsoring full time Managers to train and develop volunteer Group Leaders.

"Let the message of Christ dwell among you richly as you teach and admonish one another with all wisdom through psalms, hymns, and songs from the Spirit, singing to God with gratitude in your hearts" Col 3:16

WHY NOW?

Life 4 Bangladesh have this year recruited 100 new volunteer Life Group leaders who will be establishing new groups in their local areas. The leaders will need our support, to equip them for this task.

Above all other requests, your prayers are requested, that God would equip, give wisdom and protection to these young volunteers as they step out in faith, in their new roles.

"My prayer is not that you would take them out of the world but that you would protect them from the evil one" John 17:15

WHERE DOES MY MONEY GO?

URGENT NEED:

We need urgently to train and equip the new volunteer Life Group Leaders. Transport is required for the Regional Leaders as they travel to support the Life Groups in their regions.

The material for the Groups is often translated then re-printed for them. Activities are creative, often interactive and game oriented, to help the less academic to learn more easily.

100% of your money will help young Christians in Bangladesh

Your donations to this appeal will be used to help the Life Groups in their aim of nurturing young Christians in rural areas.

Most of the leaders in Bangladesh are volunteer and receive no payments for their work.

Trustees in the UK give their time and resources for free, to provide funding and Leadership guidance to the ministry of Life 4 Bangladesh (BRYFC).
